PILATES REFORMER BEGINNER

In this 45 or 60 minute class you will learn the fundamental exercises and the principles of the Pilates method. The exercises will be broken down as they are taught; ensuring you learn proper technique and the slightly smooth pace will give you confidence to execute the movements safely. This type of class is suitable for people new to Pilates and also to those with experience but are looking to brush up on their technique.

PILATES REFORMER INTERMEDIATE

more flowing type of workout that will help you build strength and stamina. If you are a beginner trying this class, please let the teacher know prior to the start of the class.
